Special Port instructions & rules:

During the stay in Giardini Naxos Roads, it is not allowed to discharge anything at sea. – All sea valves to be closed. Water sports are allowed.

All boats (speedboats, zodiacs, scooters, windsurfs) to keep a distance from shore of minimum 300 meters. Water sky is allowed at a distance of minimum 1000 meters from shore (Ord. n. 37/2012 of Messina Harbour– Office). Out of the swimming zone and up to a thousand meters from the coast, navigate to a maximum speed of 10 knots, keeping, however, the displacement hull. Diving is allowed (having regard to settle all due international notice signs) except in the area of the Natural Reserve of Isola Bella (Decrete n. 619/44 dated 4.11.1998)

Ship's tender have to dock in the proper approach stairs. Coming on the dock, before landing and em-

barking, the tenders engine must be taken off. While entering and leaving the harbour, the tenders have to keep a speed of max 3 knots. Tenders are allowed to stay at the approach stairs only for the time strictly necessary for the landing and embarking operations, since the stairs must be left free for safety reasons.

During the stay in night time, the lights for preventing the attacks at sea must be on. (Colreg 72)
